

confident before he / she is left in our care. Usually an introductory visit will last for approximately one hour, your child's key worker will advise you on how many introductory visits your child may need.

No charge is made for introductory visits.

FEES

All fees (see separate sheet) are payable monthly in advance. We ask parents to pay by direct debit agreement. When children commence nursery on a mid-monthly date, for the first month you will pay only for the number of sessions they will actually attend that month.

As the number of nursery places is strictly limited according to our registration, once a place is taken it becomes the individual child's place every week throughout the duration of the child's time at our nursery, and therefore must be paid for regardless of attendance. Your monthly fee is worked out over 51 weeks; this excludes the week we are closed at Christmas. Fees are not refunded for bank holidays.

One month's notice is required for children leaving the nursery, or one month's fees in lieu of notice. This is strictly adhered to.

Our nursery is included in the Local Authority directory of providers, who can receive funding for the Free Nursery Entitlement scheme.

We are registered with several nursery voucher scheme operators so that parents can benefit from income tax and national insurance savings on the cost of their childcare.

The cost of all nursery meals is included in the fees, including pureed fruit and vegetables for young babies. Parents of young babies are however asked to provide the nursery with ready made up bottles and some other weaning foods as required by their child.

We do not provide nappies; parents are requested to ensure that their child always has a sufficient supply.

STAFFING QUALIFICATIONS AND RATIOS

All our staff are fully qualified, holding relevant qualifications or have many years experience working with young children.

All our staff have undergone the mandatory checks to enable them to work with young children. These include a police check.

We comply with the New Standards for Day Care (wherever possible we endeavour to improve upon these standards) and are regulated by the Early Years Directorate of the Office for Standards in Education (Ofsted).

The DFES in the National Standards for Full Day Care specify staffing ratios as below:

1 staff - 3 children	0-2 years
1 staff - 4 children	2-3 years
1 staff - 8 children	3-5 years

THE NURSERY CURRICULUM AND ORGANISATION

Our nursery curriculum is the Early Years Foundation Stage Framework

Our children are organised into groups according to age. Our expectations of each child's achievements directly relates to their age and stage of development. Because children's

development will be at different rates, our curriculum is planned to cater for all levels of development and the needs of individual children.

We are also a Sing and Sign affiliated nursery, this means that at our nursery we encourage the use of simple keyword signing alongside normal speech using the Sing and Sign approach to enhance communication between babies, toddlers and staff. Our staff have been trained by the local Sing and Sign teacher in the techniques to use. We involve parents so that they can also use the signs at home. We love it; it works so well. We also have a staff member from each room that have been trained in teaching yoga to children aged 2-5 year olds. This is fun and the children love it.

RECORDS

We keep a record file for each child which contains their personal details e.g. address, doctor's name etc. These are kept in a lockable file in the nursery office and are also held on the nursery computer. All information is kept in line with the Data Protection Act. Learning diaries showing all areas of each child's development are kept; these relate to the six learning areas of the Early Years Foundation Stage Framework.

MEALS

High quality meals consisting of food specially chosen to give a balanced nutritious diet whilst accommodating the preferences of young children are cooked in the nursery kitchen. Some of the food prepared in the kitchen is grown by staff and children in our nursery vegetable garden.

The children are provided with breakfast, lunch and afternoon tea depending upon attendance times. The cost of all meals is included in the fees. Special diets are catered for on religious, medical or ethical grounds.

The children are encouraged but never forced to try new foods and good table manners and hygiene habits are promoted.

The staff do everything to ensure that mealtimes are a happy experience because food represents affection and care. The nursery staff sit to eat with the children at mealtimes to encourage good eating habits and to stimulate conversation.

SLEEPING ARRANGEMENTS

Young babies sleep as and when required in, we also have beds available for all children who require an afternoon sleep. These are set out in a quiet area and the children are fully supervised whilst asleep. The sleep routine of each child is arranged in consultation with the parents and occurs flexibly until a child is ready to fit in with our nursery routine.

OUTINGS AND VISITS

Occasionally we take children on visits to e.g. local shops or walks around the local area, sometimes these outings might be of a spontaneous nature therefore parents are asked to sign giving their consent for their child to take part in such activities when their child is registered with us. If we are organising a special outing for any reason, parents will always be advised and their permission sought.

HEALTH & SAFETY

All equipment is carefully chosen and regularly checked to ensure the safety of the children in our care. However accidents do happen and in the event, appropriate first aid treatment will be given (all our staff take a first aid qualification for working with babies and young children. We also have members of staff who have completed the full First Aid at Work qualification).

All accidents however minor will be recorded in the accident book and the parents informed of the circumstances. Any incidents between children resulting in injury are also recorded similarly to accidents on separate incident forms.

In the event of a more serious accident, emergency medical attention will be sought. All parents are asked to sign giving their consent for their child to receive emergency treatment.

When bringing children to nursery or collecting them by car, parents are requested to use extra care when using the car park, particularly when reversing to ensure the safety of all children.

Our fire safety system is approved by the Fire Officer and is serviced regularly in accordance with the HASAWA 1974. We hold regular fire drills to ensure that the procedure is familiar to the children.

For health and safety reasons it is our nursery policy that staff and children do not wear jewellery. Jewellery can get broken whilst children are playing which could cause upset if such items are of sentimental value. Jewellery can also cause injury to themselves or another child. We can not accept responsibility for the loss or breakage of any jewellery.

CHILD PROTECTION

Our prime responsibility is the welfare and well-being of the children in our care. As such we believe we have a duty to the children' parents / carers and nursery staff to act quickly and responsibly in any instance that may come to our attention.

Our nursery has a duty to report any suspicions of abuse to the Local Authority Children's Social Care Child Protection Team who have a duty to investigate such matters. We will follow the procedures set out in the Local Safeguarding Children's Board (LSCB) Guidelines, and we will seek their advice on all steps to be taken.

CELEBRATIONS

Birthdays are a very special occasion for young children, and as such are acknowledged at the nursery.

Whilst a party within the nursery is not practical, we provide a home-made birthday cake so that 'Happy Birthday' can be sung and candles blown out. Each child also gets a small gift.

We have children attending our nursery, who come from a wide variety of different cultures, and just as all the children celebrate Christmas with us, we feel it is important that any festivals which are of significance to a child at home e.g. Hannukah, Eid, Divali etc., are also celebrated with friends at nursery. Therefore we welcome any information which parents can give us about festivals with which we are not familiar. It helps to reinforce the importance of the festival if it is also shared with friends at nursery.

We do not however carry out religious education at the nursery and the religious significance of any festival will not be referred to, only the traditions, thus ensuring that there is no conflict with the religious beliefs of any of our parents.

LINKS WITH HOME

It is important for there to be dialogue between home and nursery, so that you as parents can continue as educators of your child, whilst we at nursery can enrich your child's present and previous experiences.

We welcome any interest by parents in the activities of the nursery and endeavour to have a member of staff available at the beginning and end of each session so that we can discuss your child's progress or inform you of any relevant events or occurrences of that day.

We share the care of your child with you therefore it is important that you inform us of anything which might affect your child's performance on any day e.g. bad night's sleep or a parent away from home etc.

We understand that the majority of our parents are very busy juggling the responsibilities of work and home, however occasionally we organise events or activities to which parents are invited. Any parent who would occasionally enjoy spending time with their child at nursery during the day is very welcome to do so.

SPECIAL NEEDS PROVISION

It is our aim to be an inclusive setting so that all children have equal opportunities. Every child at Kenton Park Nursery School is entitled to be fully included in all nursery activities and to have access to a broad and balanced curriculum. All staff share the responsibility for working with children with special educational needs and for ensuring that each child with special educational needs is fully included in all social and learning experiences at the nursery.

Kenton Park Nursery School

Nursery fees payable

		0-3 years old	Children 3-4 years not eligible for FNE
Full Time	For full time attendance between 7.30 am and 6.00 pm for five full days per week.	£223.50 per week	£212.25 per week
Full Day	For full day attendance between 7.30 am and 6.00 pm. per day	£48.90 per day	£44.40 per day
Part Time am/pm	For part time attendance mornings between 8.30 am and 1.00 pm. or afternoons between 1.00pm and 5.30pm per session	£31.10 per session	£27.90 per session

Fees are payable monthly in advance by direct debit, and are chargeable for **51 weeks** averaged over 12 months.

Meal costs are £3.00 for lunch and tea and £1.00 for breakfast. These costs are included in the above rates.

A **10% sibling reduction** of the monthly fee payable will be given for the eldest child when 2 or more children attend at the same time.

A **late collection charge** will be made if children are not collected promptly at the end of their session. The charge will be £25.00 per half-hour or part thereof. This is necessary because a minimum of two staff must work extra at the end of their shift to look after any child left after closing time

There is a separate fee sheet for children of 3 and 4 years who are entitled to FNE (government funding).

Additional single hours may be booked if required at £8.00 per hour, £10.50 with lunch. These are subject to availability in line with our registration and staffing ratios.

NURSERY FINANCIAL ARRANGEMENTS

The nursery is dependent upon parental fee income for its finance, in order therefore for us to remain viable it is necessary to adopt the following financial code

CODE FOR FINANCE

The nursery is closed for five working days in addition to the bank holidays between Christmas and New Year. This is taken account of in the fees which are calculated over 51 weeks.

A registration fee of £50.00 is required when making an application for a place. This is to cover administrative costs and is not refundable.

Fees are payable monthly in advance on the first of the month, by direct debit agreement. All parents are required to fill out a standing order form before their child commences nursery.

When fee payments made are not honoured by the payer's bank due to insufficient funds an administrative charge of £15.00 will be added to the amount owing to cover extra administration and bank charges incurred by the nursery.

Fees for all sessions booked are payable whether a child attends or not. Fees for any extra sessions once booked are payable whether a child attends or not unless cancelled 48 hours prior to the date of the booking.

One full months notice in writing is required when a child leaves the nursery, or a month's fees in lieu of such notice is payable. One month's notice in writing is also required for any permanent change in session attendance.

If two or more siblings attend nursery together, a discount of 10% of the nursery fee payable is given for the eldest child.

Fee increases will occur annually in April.

Should the fees for any child be more than one month in arrears that child will lose their nursery place, unless arrangements have been agreed in writing with the nursery for payment of any outstanding fees.

Application for a Place at Kenton Park Nursery School

Please supply all the details requested and return to:

Mrs M Conway
Kenton Park Nursery School
5 Kenton Park Centre
Newcastle upon Tyne
NE3 4RU

Nursery Regulations (Trading Terms)

The provision of nursery places is made for 51 places of the weeks of the year excluding bank Holidays and Christmas Week.

Places are allocated on a reserved place basis. This means that once a place is booked payment is due regardless of attendance. This also applies to any additional days or sessions booked. Refunds or alternative sessions are not given for sessions missed due to short term illness / absence / holiday. Individual arrangements will be made for children who suffer a prolonged period of illness or extended absence to ensure retention of their nursery place if required.

Refunds or alternative sessions are not given for Bank Holidays.

One months notice is required for children leaving the nursery, or one month's fees in lieu of notice.

Fees are payable monthly in advance and are due at the beginning of each month. All fees are to be paid by direct debit agreement. Direct debit payments will be payable on the 3rd of each month.

Sessions are allocated subject to availability; priority is given to children booked for a full time place.

Children suffering from infectious or contagious illness / conditions must be excluded from attendance at nursery.

The nursery reserves the right to exclude a child where they consider not to do so would endanger the well being of other children attending.

Parents of children not yet toilet trained are required to supply them with nappies, baby wipes and creams as necessary.

Parents of children not yet fully weaned are expected to supply the nursery with some baby feeds and milk as required.

The nursery reserves the right to alter any of these regulations at any time.

Attendance of your child at nursery is considered to be acceptance of these terms.

I wish to apply for a place at Kenton park nursery School. I understand that fees are to be paid monthly in advance and are due at the beginning of the month, or on the first day of attendance.

I ENCLOSE A CHEQUE FOR £50.00 BEING THE NON REFUNDABLE REGISTRATION FEE. (Cheques should be made payable to CHOICE CHILDCARE LIMITED)

I have read the nursery regulations and agree to comply with them.

Signed (parent or Guardian) _____ Date _____

Please also sign the following consents:

I give my consent for my child to receive emergency medical attention if required.
